About Us

Ankit Roadlines was founded in 2002 with a simple mission: provide reliable, open-body trucking services for industrial and manufacturing sectors. What began as a single-truck operation has grown into a trusted fleet serving four states. Our deep-rooted understanding of routes across Gujarat, Maharashtra, Uttar Pradesh, and Bihar allows us to navigate inter-state freight with ease. We've built our reputation on three pillars: **Safety**, **Punctuality**, and **Integrity**.

Key Milestones

Year	Milestone	Description
2002	Foundation	Began operations with a single open-body truck in Valsad, Gujarat.
2008	Interstate Expansion	Fleet grew to 10 trucks; routes expanded to Maharashtra.
2013	Northern Reach	Extended to UP & Bihar; fleet crossed 30 trucks.
2015	Enterprise Partnerships	B2B contract logistics division launched for industrial enterprises.
2026	Present Day	50+ trucks, oil tanker fleet, 500+ clients, 4 states — still family-owned.

Our Services

Service 01	Open Body Trucking
Our core speciality — open-body trucking for heavy industrial cargo across all four states. Fleet of 50+ open-body carriers for steel, TMT bars, cement, machinery, pipes, and oversized equipment. Trucks rated 9–25 ton capacity with secure tie-downs and tamper-proof seals.	Overhead hydraulic loading • 9–25 ton payload capacity • Steel, cement, heavy machinery • Tamper-proof seals & weather covers
Service 02	Long-Haul Interstate Transport

Dedicated inter-state freight routes with real-time GPS tracking, experienced drivers, and 95%+ on-time delivery. Key routes: Surat–Mumbai, Valsad–Pune, Ahmedabad–Nagpur, Vadodara–Lucknow, Surat–Patna.	4-State route network • GPS-enabled fleet tracking • 95%+ on-time performance • Multi-modal hub connections
---	---

Service 03	Enterprise B2B Freight Logistics
Contract logistics for manufacturing enterprises, steel plants, and industrial corporates. Dedicated fleet allocation, custom SLAs, volume-based pricing, and single-point account management.	Dedicated reserved fleet • Custom SLAs & reporting • Volume-based pricing • Dedicated account manager

Service 04	Oil Tanker Supply
Heavy-duty oil tankers (25,000–35,000 litres) for construction sites, industrial plants, and commercial fleets. Round-the-clock delivery for emergency and planned oil supply across all four states.	25,000–35,000 litre tankers • 24/7 emergency delivery • Construction & industrial use • Generator & machinery fueling
